

Through its exceptional reputation for excellent, high-quality, detail-oriented work, and its consistent on-time, on-budget performance, North Counties Drywall has firmly established itself as one of the leading drywall, plastering, and metal stud framing companies in the Bay

Area. With over 35 years of comprehensive construction experience behind it, North Counties Drywall provides exceptionally reliable performance combined with a creative, problem-solving approach.

Specializing in large, multi-million dollar projects including government and municipal buildings, jails, hospitals, and schools to large commercial projects such as wineries, hotels, and office buildings. North Counties Drywall is recognized for its innovation and ability to conform to highly specialized design and construction requirements.

Since 1991, North Counties Drywall has provided interior/exterior metal stud framing, T-bar suspended acoustic ceilings, drywall and plastering services for commercial and public works projects, office buildings, schools, jails, hospitals, libraries, wineries, hotels and large residential developments throughout the Bay Area counties of Sonoma, Napa, Contra Costa, Alameda, Solano, San Francisco, Marin, Mendocino, Yolo and San Mateo. As a prime contractor, the company is bondable and understands the complexities of large government contracts, commercial, and public works projects. North Counties Drywall is a union company with sufficient employees to handle any job.

By bringing over 35 years of professional experience and comprehensive expertise in all the services provided by North Counties Drywall, clients are assured that work performed will be of the highest quality, at the agreed upon cost, and completed on schedule.
